Thank you for your letter concerning the financial needs relating to the structural repairs of Christ Church.

As a descendent of one of the original founding families of Christ Church, Stephen and Hannah Palmer Gregory, we would like to contribute to your request. Stephen, who died December 24, 1845, and Hannah are buried in the church grounds. We have been privileged to have sat in the pews that bear their name and to have experienced the realization that because of them, we are here.

You will receive a contribution of \$1,000 to be a part of your \$50,000 drive.

Please keep us informed of the status of the work progress. Your efforts and dedication of maintaining the structure of Christ Church are greatly appreciated. You have a wonderful ministry. We appreciate each one of you.

In Christ's name.

  
Morris and Sandy Gregory
